Mr. Harold Weisberg
Hyattstown, Maryland

Dear Harold:

Enclosed is the Exhibit which was mentioned in my monograph, Edition #3 dated June 15, 1967.

The Exhibit #1A is so large and unwieldy that I have decided not to reproduce and distribute it. Exhibit #1B, enclosed, is a simplified version of #1A and does list all of the photographers and photographs with a general indication of what each one shows. Additional exhibits will follow subsequently.

Sincerely,

Dick
